Dear Mr Garrison

260

Your esteemed favor of July 14th reached me duly, and was very interesting to us all - We are glad that you could visit England under such favorable auspices - and I am sure that you have enjoyed it very much - I notice the arrival of your father reported Sept 5th and I suppose of course that your father's son accompanied him - accept our warm congratulations on your safe return - I trust you both come home with renewed strength -

I wish to correct an impression I gave you in regard to Mary Cox - or rather to state that time has

At home we are all about in usual health - except
my wife who is not as well as I would like her
to be - all unite with one in kind regards to your
father & yourself -

Yours truly
Eurek Lewis

Frank J. Garrison Esq

Changed her condition - she
may have been in just as ill-
-health as I represented - but
now I am told that she is
much better - at home - attending
to household duties, and able
to entertain company - My
informant in both cases was
our friend Sarah Pugh - who
by the way, expresses herself as
much gratified to hear of your
safe return, and wishes ardently
that she could meet you father
face to face, and hear from him
about her old English friends
many of whom doubtless you
met. She is her normal
condition of good health and
cheerfulness -
